

# **CONTRACTORS AGAINST CANCER**

## benefiting the Colorectal Cancer Alliance

# October 5-6, 2025

Congressional Country Club in Bethesda, Maryland

### Dear friends,

We are delighted to chair the second annual Contractors Against Cancer golf tournament and concert to benefit the **Colorectal Cancer Alliance** — whose mission it is to end colorectal cancer in our lifetime. We are teaming up with celebrities, local businesses, fellow contractors and clients to bring this one-of-a-kind experience to the DMV. We are motivated to make a tangible impact on cancer and need your support to make it possible!

We are hosting this golf tournament as a way to honor the people impacted by colorectal cancer and advance the Alliance's mission. Colorectal cancer is the second deadliest cancer and is, unfortunately, the leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the second leading cause of cancer-related deaths for men under 50 and the

Colorectal cancer is extremely common, deadly, and underfunded. But it's also highly preventable with screening. Through your participation, we can get more people screened, help more patients navigate treatment so they don't feel alone, and fund innovative research to end this disease once and for all.

Last year's event was a huge success! We danced the night away to an unforgettable concert featuring some of our favorite artists and weathered the rain for a round of golf — all while raising nearly \$600,000.

We're crossing our fingers for a beautiful weekend in Bethesda, Maryland, October 5–6, and are looking forward to an unforgettable experience at the prestigious and world renowned Congressional Country Club. All of it in benefit of a critical mission. We hope you'll join us!

Thank you for your consideration, and please let the Alliance team know how we can get you involved in this life-saving event.

#### Sincerely,

#### Doug Riley, Event Chair

### **Colorectal Cancer Alliance**

The Colorectal Cancer Alliance is a national nonprofit committed to ending colorectal cancer. Working with our nation of passionate allies, we diligently support the needs of patients and families, caregivers, and survivors; eagerly raise awareness of prevention and early detection via ontime screening; and continually strive to fund critical research. As allies in the struggle, we are fiercely determined to end colorectal cancer within our lifetime.

#### We are a nation of allies

As the largest and most impactful national organization focused on ending colorectal cancer, we are the go-to resource and ally for anyone touched by this disease. For these reasons, nationally-renowned corporations, industry leaders, and foundations have joined our nation of allies to end colorectal cancer within our lifetime and achieve their corporate social responsibility goals.
