Karli M. Stahl Memorial Fund benefiting the Colorectal Cancer Alliance

## Dear friends and family,

Karli M. Stahl (lovingly known as Kar the Star) was a wife, daughter, sister, friend and, most importantly, mother to our beautiful girls Evelyn June and Georgia Grace. She was also an incredibly talented and successful interior designer. At the young age of 47, colorectal cancer took Karli's life after a nine-year journey. She left behind a legacy of love, humor and an unparalleled zest for life.

Unfortunately, Karli's story is not unique to our family. By the year 2030, colorectal cancer is projected to be the #1 cancer killer among people aged 20 to 49 and 1 in 23 men and 1 in 26 women will be diagnosed with this disease in their lifetime. And yet, colorectal cancer is shrouded in shame and stigma and is grossly underfunded compared to other cancers who kill fewer people.

During the last 15 years, our family has called Nantucket home. We have been surrounded by love, support, and incredible community throughout Karli's diagnosis, treatment and death and for that, we are so incredibly grateful. Karli's positivity and courage has been an inspiration to the countless people who had the privilege of knowing her and we are excited to share an opportunity to honor her legacy in a meaningful way.

We have partnered with the Colorectal Cancer Alliance, the nation's largest and most impactful non-profit dedicated to this disease, to honor Karli and to provide critical funding to get more people screened, support more patients on their journey and fund more life-saving research. We hope you will join us again for a spectacular Nantucket evening of cocktails, dancing and philanthropy as we make an impact on colorectal cancer. Last year, you all looked fabulous dressed in white! So this year, we are embracing the style. Save the date for The White Party on Thursday, August 8.

**Together, we can end colorectal cancer in our lifetime.**

With deepest gratitude,
