You can make your goal as large or as small as you wish. Consider a personal goal that can be explained (e.g. \$2,600 to honor your diagnosis at 26).

How long should your fundraiser last?

Fundraisers can last as long as you want! If your fundraising for an upcoming event, we’d suggest keeping your fundraiser live until a few weeks after the event is over to collect any outstanding donations. If your fundraiser isn’t tied to a date, consider keeping it open for two weeks to a month to give friends and family enough time to see it in their feed.
